JESSICA

"I'm a very naughty girl who flashes my bits at every opportunity!" chuckles Jessica. "I work in a very boring office where I have to be well behaved all day. It's tough, I can tell you. I haven't got a boyfriend but I think I will soon as I like to go out to the pubs and clubs in just a long coat and nothing underneath. Men love it although sometimes their girlfriends don't. Sod 'em – I'm just having fun!" We couldn't agree more!

Cable guys

I was getting Virgin installed by two young men who made my pussy tingle at the thought of being left alone with them.

Ian's eyes kept straying to look at my legs, and I noticed my skirt had ridden up to reveal my stockings. I decided to give him a better view. I parted my legs slightly and Ian got an eyeful.

With my heart pounding, I spread my legs wider and pulled my skirt up invitingly. I felt his breath between my legs, and the probing of his tongue as it traced my cunt through my flimsy panties.

Seizing the opportunity to

DONNA, KENT

finally get my hands on a young cock, I slid off the stool and released Ian's throbbing manhood.

After happily munching on his salty pre-cum, I guided

his thick cock to the entrance of my soaking pussy. I eased myself down onto him, savouring his girth. My well lubricated cunt stretched to new limits and I started to ride him hard.

Then I felt a pair of hands caressing my bum cheeks. It was Ian's work-mate, and as one cock spurted inside me, it was replaced by another stiff one.

As the second stud fucked me from behind, his hands played with my dangling breasts. I took Ian's cock into my mouth and sucked him back to hardness. I felt like a slut being fucked at both ends!

It ended with me drenched in jizz. Think I'll need three cocks next time! *Donna, Kent.*

In the mood

We met Sara and Darren at the pub one afternoon – a neutral place. We'd met through *Escort* contact mail, you see.

We went back to their house to have a couple more drinks and Darren suggested looking through some of their photo albums (of the erotic kind) on their luxury leather settee in the living room.

This soon got both of us in the mood to take things further and in a matter of minutes Katie and Sara were kissing and fondling each other's bodies.

Darren and myself watched with utter delight as Katie's hand delved inside Sara's sweater and began stroking her breasts. Sara obviously liked the feeling as she returned the favour and started to unbutton Katie's blouse.

Within minutes both girls were on the floor, and so were their bras. As soon as Sara's breasts were exposed Katie's mouth went straight down to suck on her nipples, and her hands slid up Sara's short skirt.

Katie soon had Sara's skirt and knickers down. We watched as Katie's fingers

KATIE, LUTON

Sara off she turned her attention to Darren who was still fucking her, sending wonderful feelings all over her body. They momentarily stopped to change position with Katie straddling Darren.

This is one of her favourite positions, allowing Darren's penis to reach her G-spot. I pulled my cock out of Sara's mouth and guided myself between her waiting legs. My cock slid easily into her warm wet cunt and I started to fuck her gently on the settee.

This was made twice as arousing because we could

worked teasingly around Sara's moist pussy lips and clitoris. This made Sara moan with delight and Katie soon had her mouth down where her fingers were.

Sara was wearing stockings and suspenders and this really turned Katie on as this is one of her favourite items of sexy lingerie and never fails to get her wet.

While Katie was busy licking Sara's pussy we thought we'd help. So Darren pulled Katie's skirt and undies off and started licking her from behind. I went round to suck on Sara's tits, with one of my hands fondling Katie's boobs.

Sara undid my zip and

got my aching cock out. Her hand moved up and down my erect cock before she led it to her mouth. She took it in and slid it in and out between her red lips. I could see Katie watching and hoped she liked what she saw.

Then Darren quickly took all his clothes off and knelt down behind Katie, parting her pierced pussy lips with his fingers and slowly entered her with his hard erection.

Katie was now getting carried away with the moment and inserted three fingers into Sara. With a muffled moan Sara orgasmed, as Katie had been licking her faster and faster in between fingering her.

Now that Katie had brought

both watch Darren and Katie fucking next to us on the floor. After about ten minutes of this I could no longer hold back and, with Sara's pussy lips contracting and her back arching, I shot my hot spunk deep into her pussy.

After a few more strokes and Sara's nails sunk into my back as she came for a second time. We lay there and watched as Katie shuddered and groaned with ecstasy.

She had obviously just climaxed. She carried on riding Darren and within seconds he gasped as he came. Katie slid off Darren with a big smile on her face and gave him a passionate kiss to say thank you.

Well, he deserved it – she had cum loads and the afternoon wasn't over yet. We will write and tell you more next month!

TRUE BLUE

Real stories from the secret world of UK sex. Paul and Flirt are the directors of Xtasia, one of the largest swinging clubs in the UK. Surrounded by sex and rampant hedonism all night, can there be a downside?

It's getting on for 1am and the evening is in full swing. All around us, as Flirt and I stand by the bar, there are couples chatting, kissing and fucking on sofas, getting off to the action taking place on the big cinema screen. The orgy about to unfold has been spurred on by the live feed from our camera room. Pictures of one hot woman lying back on the big bed in the room below, pleasuring herself and the anonymous cocks that keep popping through the glory holes is certainly getting the audience's pulses racing.

Taking in the scene, I spot the woman's other half. At the front of the audience with his eyes glued to the screen, it's easy to tell how much he's enjoying seeing his partner pleasure her pussy and all of the cocks that are offered to her. Just eight months after taking over Xtasia it's such a relief to see it getting off to a good start. Singles, couples, young and old swingers are indulging in all the pleasures our hedonistic theatre has to offer.

Flirt and I purchased Xtasia back in June 2012. Having been interested in the swinging scene for most of our adult lives and hosting a small-scale monthly swing event at a hotel in Blackpool, we came to the conclusion that doing it on a bigger scale was definitely the way forward. We are now the proud owners of one of the longest established swingers clubs in the UK, Xtasia, located in West Bromwich in the Midlands.

Having visited in its heyday 15 years ago, we had fond memories of the big parties that used to take place here. Being one of only two swingers' clubs in the Midlands and easily the largest with a capacity of 600, it was difficult to get a space on the loungers as naked bodies writhed together. If you managed to find a space it wouldn't be long before people started to climb over the sofas eager to join in. The massive orgies that took place were beautiful, sexy and safe. Now we'd taken over and the pressure was on to carve out the club's future.

The camera room was just one of the ideas we dreamt up to push people's boundaries and hopefully

"She pleasures herself and the anonymous cocks popping through the glory holes"

play on their fantasies. Introducing a grope box (a personal favourite of mine and Flirt's), a fully lockable closed-off room, rooms with one-way mirrors and a shadow room that shows silhouetted bodies, we've created a corridor of debauchery that becomes more and risqué the further you travel down it. There's something to suit whatever your confidence level or preference. The glory hole camera room is the final door – the most daring, but definitely the most fun! Call it the last taboo in swinging.

The biggest perk for Flirt and me is the social side. Usually, the majority of our evening will involve playing the hosts, introducing couples and making sure everyone enjoys themselves and are not just standing in doorways looking lost. Avoiding silly games like 'lick the nipple of the third person to the right', we prefer people to chat, talk to each other and it hopefully leads to an invitation for more. After all, that's what we're all here for! If you think someone's hot, go and strike up a conversation with them.

The clientele ranges from single men and women to couples that have been swinging for years and those that are only just dipping their toes into the scene. With the age ranging from 18 all the way up to 70, swinging really is for everyone.

You know it's been a good evening or event when guest after guest leaves and thanks you for an amazing, sexually liberated and fun night! A job well done in my opinion.

We still have loads of plans. We're building a dogging area. Carting cars, public benches and even trees up to our converted loft we're recreating a fantasy scene that a lot of swingers enjoy indulging in, only ours is safe and secure and you're not going to get arrested! Imagine sitting on one of the benches when a hot couple come along, flash the headlights of the car and a guy starts fucking his girl on the bonnet while you're invited to watch or even join in.

Is there a downside to the job? None that we've come across!

REAL WIFE SEX

Michelle,

Michelle is determined to outdo her
randy pal by taking cocks in three
holes, with three different men...

Threesy

This mate of mine is called Cherry, even though her cherry is long gone! She's a right laugh but she reckons herself a bit too much, making out she's always having to fight off the blokes.

Recently, she was going on about how she pulled and shagged two different men in a weekend, while her boyfriend was away with the lads. So I told her I could go one better and fuck three different cocks – one blow job, one anal and one in the pussy – that coming weekend.

The only rules were, I needed to get proof with my cameraphone; it couldn't be with anyone I'd shagged before; and I

had to bring them all the way off.

I started off on the Friday night, with my arse-sex bloke. There's a guy called Clive who's known for being a bit of an anal maniac, so I got a mate of his to fix us up. I dressed suggestively in a miniskirt that really showed off my bum, and when he'd sneak a grope of it, I wouldn't try to put him off. Back at his, when we were snogging naked on the bed – me lying stretched out on top of him – he kept feeling up my cheeks and slipping his fingers in my crack, like he was testing out how far he could go.

I grabbed my handbag and got a tube of lubricant from it. Now he knew he didn't have to be sneaky, he got one then

two fingers up my arsehole, working it open. "Wanna fuck?" I said.

He started out in my pussy but with his thumb probing in and out of my bumhole as he pumped me. Then I said he could do me up the arse, as long as he was willing to take a snap of himself in me. He gave me a bit of a weird look, but didn't object.

He'd got me so ready for his cock, that it just slid in really smoothly. Taking a length in the backdoor isn't always easy, but this time, although I felt like my bum was full to the limit, it was a good, horny sensation. I rubbed my clit and began to cum almost instantly.

Clive didn't last that long, I was so

does it!

tight around his dick, but as he came he carried on snapping with my phone.

I wanked his shaft into my hungry mouth

He's got a shot of himself pulling out then jizzing all over my crack. More than enough evidence!

Saturday was the biggie. I'd thought I'd do a bloke that night and one on Sunday, but when I got two guys who were mates interested in me, I decided to see if they

were up for a threesome. They were – no surprise there – and didn't mind taking a few pics.

First off, Kevin snapped me while I took a mouthful of cock off Jonathan. They weren't just token fucks – I blew him like I'd do with any man, licking his cock and balls all over, then sucking on his helmet as I wanked his shaft into my mouth. He had a shaved ball-sack, and I loved the feel of it against my hand, and under my chin as I sucked his shaft deep. He was groaning, humping gently in and out of my mouth, until he finally shot his load all over my rippling tongue. I let his cum collect, then opened wide so Kevin could get a photo of it in my

mouth just before I swallowed.

Jonathan laid back on the bed to recover, and Kevin got in between my thighs. Jon took a couple of pictures then handed the phone to me, so I could take some from my own point of view as well. I put my legs up on Kevin's shoulders, then brought my hand down for a real close-up shot of his cock going in and out of my pussy. It may have been a tiny bit blurred, but there was no mistaking what was going on.

This wasn't all about the bet, and I forgot about the camera for a bit,

"I go to the gym every lunch time, including weekends," boasts buff bodied Anna (21). God, it's exhausting listening to her. The only workout we get at lunch time is working out if we can get another pint with the shrapnel in our pocket. "Don't fret! I only go because my boyfriend works there. I drink a can of lager and suck him off!" Thank goodness!

Slam Dunk

Seeing my photos printed in *Escort* 32.11 sent my husband wild and I have to admit it turned me on too.

Last week, hubby was working away from home so I decided to take some dirty photos and send them to him to guarantee a real dirty pussy-licking weekend when he returned.

I stood in the mirror and

found him reading my story and rubbing his cock. I undid my robe to reveal my naked body enclosed in sexy underwear and asked him if he would like to help me take some dirty pictures. He didn't need asking twice and he quickly followed me up the stairs.

I handed him the camera, got out my biggest dildo and started to suck on it while he watched. I was licking and sucking this great big dildo

wanking his huge cock off over my arse while he watched the dildo slamming into me.

It really turned me on to see him wanking over me and I decided that I

wanted a go on his massive manhood. So I dropped my dildo and spun round so that I could engulf his

started to take some snaps, posing as sluttily as I could. I was getting really into it and was soon very horny.

Just then the doorbell rang. I slipped on my robe and went to see who it was. I was pleasantly surprised to find my husband's rather sexy best mate on the doorstep. I invited him in and straight away he noticed my fishnet stockings and asked me why I was wearing them on my own in the middle of the day.

So I handed him my copy of *Escort* and told him to have a look at my pics while I went to make us a cuppa. When I got back to the front room I

and all the while his eyes were glued to me so I slowly spread my legs open to reveal my warm shaven pussy.

He put the camera down and quickly took his clothes off. I took the dildo out of my mouth, got on all fours, grabbed my arse cheeks and pulled them apart so he could get a good look at my now dripping wet pussy.

I told him to get some close-up pictures of it and as he started taking them I slipped my big vibrator into my throbbing pussy and started to fuck myself. I could hear him moaning and I looked behind me to find him

big hard dick I my mouth. I began sucking fast, licking up and down his shaft. I reached down to pay with my pussy again, rubbing my throbbing clit as I pushed my fingers in and out as fast as I could.

I wanted him to taste me so I got on top of him and sank my wet mound onto his face. He slipped his tongue into my slit and started to lick me. I grabbed his dick and began wanking it up down. I was grinding my pussy on his mouth, feeling his tongue exploring.

I leant down to take his huge balls in my mouth and sucked on them, massaging his sack with my lips and tongue. His tongue on my clit felt so good that I was soon exploding my juices all over his face and in his mouth.

He grabbed my waist and bent me over. Before I knew it his cock was slamming in and out of me. My pussy was so wet and warm and was still throbbing from my orgasm only seconds ago. I could feel his balls slapping against my slit every time he thrust his enormous cock deep into me.

Within minutes I was ready to explode for a second time. It must have felt pretty good for him as just after I finished he pulled out to cum all over my soft round arse.

So I got a mid-week hammering, he got hot sex with his best mate's missus and hubby got to see all the photos. We were all winners!

Secret sex

Here's a little bit about myself. I'm 28 and work in a solicitor's office. Okay, that's the boring bit over with. More importantly, I'm sex mad and love taking risks when it comes to sex. I was out with my friend Kitty, a gorgeous 36-year-old married lady. We were at the pub eyeing up the lads, when the conversation turned to fit girls.

Kitty then asked me if I

no problem, as I myself had had one or two experiences with women.

So then the conversation really progressed, and out came another secret. Kitty told me she and her husband Alan had discussed having a threesome with me, but weren't sure of my preferences.

I was starting to feel wet and my clit was twitching. Kitty leaned over and put one hand on my knee. "Alan's at home. Fancy it?" she asked.

I thought for a moment of what it would be like fucking Alan and Kitty. I agreed, because Alan is quite hot too. Kitty phoned

in front of him and took his swollen head into my mouth.

Kitty got behind me, lifted my skirt, pulled down my knickers and started to finger-fuck me. Alan then suggested we move to the bedroom, which we did.

I sat on the edge of the bed and watched Kitty strip. When we were all naked, Kitty pushed me back on the bed and started to lick my pussy.

JAYNE, WORCESTER

decided to give Alan some treatment. We laid him on his back and Kitty sat on his face. I sat on his hard throbbing cock.

It wasn't that long but was really thick, and the way it felt inside my wet pussy was something I'll never forget. Kitty and I then switched places. Alan's hands were all over my arse and tits, touching every part of my body.

He was licking my clit hard and fast, and within a few minutes I came like thunder. The inside of my pussy was pounding, and I just had to have his cock in it.

He got in behind me while Kitty lay in front of me with her legs wide open and her dripping pussy crying out for my tongue. Alan gave out a great moan as he entered me, but he was not moaning as loudly as I was.

I was so excited and turned on, and I ate Kitty's pussy till she came again and again. Alan's moans were getting

home to check it out, then gave me the nod.

We arrived at her home and Alan was sitting in the lounge with a cheeky grin on his face. Kitty brought some drinks and sat next to me.

could keep a secret and of course I said I could. She told me she'd slept with the barmaid. I admit I was a little surprised at this revelation.

Things went a bit quiet for a moment and she asked if it was a problem that she was bisexual. I told her I had

Then she began to kiss me, running her hands over my tits. Alan was sitting in his chair stroking his cock, watching his wife and her friend getting it on.

Kitty then smiled at Alan and asked if he'd like me to suck his cock. I knelt down

Her tongue felt hot and made my body tingle.

Alan lay at my side stroking my tits, licking and sucking my nipples. We then

faster and louder until with a grunt, he came hard.

I have secret sex with them regularly now! It's great! *Jayne, Worcester.*

BROOK

"I don't know what it is but I'm really into older men," admits cock-hungry 21-year-old Brook. "Young guys are all well and good if you like a fast and furious ride ending with oodles of spunk dripping out of your pussy." What girl doesn't? "I appreciate a slow and steady shag. I need at least half an hour to orgasm like crazy and what 19-year-old can give me that? I get so wet grinding down on an older man's cock. It's like the best dildo in the world. And it buys you dinner as well!"

54 years old. Letters, p. 7.
"Photoshoots outside are so horny – there's always a chance you might get caught!"

Escort stalwart Jacqui (vol 32 no 10) has a weekend to remember with a stranger's stiffie...

Dear Escort,

Thank you for printing my story and pictures in *Escort* vol 32 no 10 and of course for all my letters! I am sure there will be some more of my 'adventures' to send you shortly!

One, particular letter was from Tom and Nicole who I mentioned in my 'car' letter. We thought we had lost touch; so it was particularly nice to get a letter from them. They now live abroad and we hope to meet up shortly.

I am enclosing twenty pictures, taken at the Docklands Raddisson Hotel after we recently went down to see *Jesus Christ Superstar* (sacrilegious!).

That evening after a bottle of wine, we went back to the bar to enjoy a few pints of larger when 'obliging Dave', my partner felt it only fair to let older guy John who had shared our table come back to our room to watch Dave

take these photos.

John was a lovely guy and when I really got going with my glass dildos, it proved too much for him. Egged on by Dave, who was already naked and really horny, John couldn't bear it and asked if I would mind if he wanked whilst

he watched.

After withdrawing my anal dildo to lick, he held the longer one in my pussy. John apologised as he shot his load all over my tits and belly: he was so, so grateful!

REAL WIFE SEX

Michelle's story continued from page 19

wriggling about as Kevin banged in and out, and Jon leaned over to suck on my nipples. That always gets me to the edge fast, and when Kevin gave my clit a little tickle, I started to orgasm round his knob. I was so tight, so hot on him, it set him off cumming too, although he emptied his balls into me. At least he got the camera ready to capture the moment when he pulled out, trailing a string of creamy spunk between his tip and my cunt.

Obviously, I wasn't going to have a

threesome without taking them both on at once. After a drink and a bit of messing around, they "changed ends". Jonathan wanted to do me standing-up doggie, and so I got Kevin to lie on the edge of the bed, so I could go down on his cock. With my head dipped down so low I felt a bit dizzy, but that just made every sensation I felt more powerful.

When Kevin came I let him spurt all over his own belly and got him to take a photo as I licked it up. I straightened up,

getting a nice little head-rush, and Jonathan started screwing me quick and hard, balls swinging to bump up against my pussy lips as he stroked in and out. Again I only just beat the bloke to cumming, and got my cheeks splashed with his spunk.

I'd won my bet with Cherry, but I crowned it with what I did on the Sunday. Now that I'd had my three blokes I hadn't planned on shagging any more, but when I saw a certain guy down our boozier, I chatted him up. I can't help loving a bit of sleaze, and halfway through the night we nipped outside, and I gave him a handjob in a quiet doorway.

That bloke was Cherry's boyfriend, David. He's got a tattoo just above his pubes, so when I took a picture of my hand clasped round his cock, then soaked with his cum, I made sure I included that – so she'd know exactly who it was.

Told like this, it sounds like a mean way to treat a friend, but Cherry and David are as bad as each other for screwing around. I

knew she'd laugh it off, even if it was the ultimate proof she'd lost!

She was cool about it, and paid up the bottle of fizz we'd bet each

other. Maybe I should have drunk it out of her pussy, to prove I was an irresistible sex goddess, but I was already on a promise from Kevin. He'd asked to meet up with me again, just the two of us this time, and his prick got my undivided attention that night.

I wanted him in all three holes, just to round things off, and he his cock was more than up to it. We didn't need to take any pictures, but did it anyway, just for the turn-on. I've got this ultra-horny shot of my cunt fizzing up as the champagne reacted with my juices, and more of it bubbling down my chin as Kevin spunked into a mouthful of it. I wish you could see it! 🍷

FAWNA

Her puffy leather armchair may look like it belongs on Tales of the Unexpected, but there was nothing unexpected about Fawna taking all her clothes off, spreading her lips and asking if anyone fancied a lick. We've worked with this sexpot before (vol 32 no 13) and know that she's an insatiable little minx. We're professionals here but also wanted to please Fawna, so we arranged a little post-shoot drink at the local rugby club so everyone was happy.

guy called Benedict. We got chatting and he was very forward. He put his hand on my leg and stroked my stockings. He asked me if I was wearing any knickers.

I said I was, but that I could soon change that. I slipped off to the loos and came back with my knickers in my handbag.

When I sat down Benedict worked his hand under my skirt, past my stocking tops and eventually to my naked pussy. It was shaven smooth

RIPPLES OF PLEASURE FILLED MY CUNT

He rubbed my pussy for some time before I decided it was time to go somewhere a little more private. He said OK, and led me outside. He

I moaned with the pleasure

Outdoor pull

Tanya and I both love outdoor sex, especially when someone else is watching. If they get involved, even better.

One warm day last summer we decided to have our first ever outdoor threesome. We have enjoyed three, four and even six at a time in bed, but never outdoors.

We collected our friend and fellow perv, Mark, who

fancies Tanya and is happy to take pictures of us fucking, and set off to the coast. We had a few drinks in the beer garden while Tanya flashed her cunt to the people on the next table.

Tanya was getting very wet knowing her pussy was on display, and it was time to take a few photos. We walked onto the cliff top and spread out the blanket.

Tanya posed as Mark took some snaps. From the look of some people back in the car park they could obviously see what was going on.

Tanya began to finger her clit and then slid her pink vibrator into her pussy. The look on her face was a picture as I knelt between her legs and took over with the vibrator.

I slowly fucked her with it while she wanked her clit. Mark was clicking away furiously as Tanya pushed me onto the grass and knelt alongside me.

She continued to fuck herself with the vibe while she unzipped my trousers. My cock was as stiff as

TANYA, GATESHEAD

it'd ever been. She bent over me and took it into her mouth.

Mark put down the camera and quickly struggled out of his clothes. Tanya was on her knees sucking my cock while Mark got behind her.

His dick soon replaced the plastic one in her cunt. Every time he thrust into her she moaned and sucked my cock harder.

Mark had hold of her

hips and was banging hard into her. Tanya's tits were bouncing up and down as

of being stretched and filled with such a thick hard cock. As the feeling subsided new ripples of pleasure filled my cunt as he started to piston his cock in and out.

He fucked me fast and hard, pumping like there was

As my orgasm took me over I thrust myself back, impaling myself on his thick prick. This was too much for Benedict and he too started to cum.

His cock swelled and jerked and then fired several times. He entered the entire contents

of his swollen balls into me. It felt fantastic as he filled me full of his hot sticky spunk.

Eventually I left the cemetery, knickerless, well fucked and with sticky man-fat running down my thighs. I'll be going out on my own again soon!

she wanked and sucked on me.

Tanya was the first to cum and began to shudder as the orgasm spread through her. We flipped her onto her back and swapped ends.

I held her legs wide open and pushed my tool deep into her soaking cunt. Mark's cock was glistening with her cunt juices, which she eagerly licked off.

He began to fuck her mouth and leaned over to wank her clit while I rode her really fast. As I sprayed my spunk deep into her pussy Mark pulled his cock from her mouth and shot his cum over her tits.

I pushed into her cunt as far as I could and she started to cum again, her cunt gripping my cock. Mark rocked back onto his heels as his cum rolled over

her melons.

She scooped up the spunk and lapped it from her fingers.

The car park was deserted as we walked back to the car. Do you want to put on a show with us! Contact us if you live in the area.

Oats so simple

My girlfriend Becky and I have long had a fantasy about her getting her oats with a stranger. It was essential that I could have a look as well!

Last week Becky was going out clubbing with her friends. I made her dress in sexy underwear showing off her boobs and great round arse. She said she'd get touched up dressed like that but I said that was all the better.

I was woken the next morning by Becky standing at the side of the bed with dried spunk over her knickers. Without saying a word she slipped into bed next to me and grabbed hold of my rapidly growing hard-on.

She told me she'd been stood at the bar when this man had put his hand on her arse and started chatting to

BECKY, DORSET

she began to wank. Becky is a great cock-sucker and she soon had her lips wrapped around the bloke's length, while she dragged her knickers to one side and rubbed her clit.

She worked on his cock

SHE LICKED HIS COCK CLEAN BEFORE GOING

her. She made no objection, and his fingers soon slid under her skirt and stroked her pussy through her flimsy knickers.

By this point she was so turned on she suggested they went into the nearest toilets. Once inside she sat on the toilet seat with her skirt hitched up.

Becky moaned with pleasure when the bloke unzipped his trousers and took out a large cock which

until it was buried down her throat. She was past caring what I'd say, so she spread her legs and told the bloke to fuck her. She was so wet his cock slid right up her and he started pumping.

He yanked up her top and pulled her tits from the cups of her bra, pinching her nipples which caused her to cry out with pleasure. She bucked with an orgasm, and the bloke couldn't hold back any longer.

Withdrawing his cock, he fired streams of spunk over her pussy and stocking tops. She then licked

his cock clean before standing up, straightening her clothes and going back to the dance floor.

By this point in the story my cock was fit to burst and I rolled Becky over and fucked her from behind. I shot my jizz over her arse straight away. Next time I told her to bring the lucky buggar home!

Simon, Dorset.
